

Helping Single Parents move from Surviving to Thriving!

Level Up

FINANCIAL WELLNESS PROGRAM

PROGRAM DETAILS

Single Parent Connection Inc., a nonprofit organization serving Central Indiana families, is offering the Level Up Financial Wellness Program. Level Up is a 12-week financial literacy cohort that walks single parents through lessons and action steps, preparing them to emerge as knowledgeable and confident leaders of their household.

The Level Up program offers small class sizes, one on one mentoring, and real-life financial problem solving, all in a supportive and fun environment. Participants can earn financial incentives upon graduation, as well as after completing quarterly check-in meetings and action steps.

Level Up follows a hybrid model. Classes are held both in-person and online, Saturdays from 11am-2pm.

6 class dates are required for this program:

In Person - February 10th, March 9th, April 6th

Online - February 24th, March 23rd, April 20th

In Person classes will be held at The Pyramids

3500 Depauw Blvd. Building 1, 11th Floor

Indianapolis, IN 46268

Online classes will be held via Zoom.

Graduation Luncheon is April 27th - Location TBD

WHY SIGN UP?

The Level Up program goes beyond a typical 1-day financial literacy workshop. This program takes you on a financial journey, challenging your thinking and current financial strategies, while offering practical and real-life solutions that work!

WHAT'S REQUIRED?

The Level Up program is open to single parents who are residents of the Indianapolis area, and have children under age 18 residing in their home. The enrollment fee is \$35, which is your investment (your skin in the game), helping you achieve your personal and financial goals.

Parents should be committed to completing the entire program.

THIS IS THE KEY TO YOUR SUCCESS!

WHAT WILL I RECEIVE?

Participants will earn a \$200 stipend upon successful completion of the Level Up program - *more than 5x's your \$35 investment!* Graduates can also earn an additional \$300 (\$100 for each quarterly check-in following graduation). Stipends can be used to help with debt repayment, to increase your savings, or to help establish a family emergency fund! Learning materials and lunch will be provided for in person classes. Bus cards and gas cards are available for parents in need of transportation assistance.

WHAT WILL I ACCOMPLISH?

Participants will complete a financial needs analysis, gain a better understanding of how to manage and rebuild credit, create a personal budget, create a simple and living will, create and implement a personal debt repayment plan, learn how to calculate debt-to-income ratios, AND MORE! Your classmates will be single parents, JUST LIKE YOU, making the learning experience, *relaxed, positive, relatable, and fun!*
